– Bronze

2019 One National  
Merit Scholar and One  
Commended Student,  
2020 One Commended  
Student, 2022 One  
Commended Student

### School District and Community

Millennium High School is one of three charter schools and a preschool complex ranging in grades Pre-Kindergarten to 12 referred to as the Tracy Learning Center. The total enrollment for 2023-24 is 1,255 students. Tracy is a diverse community of approximately 93,000 people centrally located between the San Francisco Bay Area and Sacramento. The ethnic makeup of our student population is: 52% Hispanic, 21% White, 13% Asian, 4% Black or African American, 6% Filipino, 1% Native Hawaiian or Pacific Islander, and 4% Two or More Races.

### History

The Tracy Learning Center vision encompassed a continuous educational program for students PreK - 12. The focus is to present a fresh approach to education. This approach personalizes the learning process and brings greater depth and understanding by using technology, broad based curriculum planning and projects. The Tracy Learning Center began in 2001 with Discovery Charter School serving grades 5 and 6 and in subsequent years grew to include grades 7 and 8. Three years later, the Tracy Learning Center opened Primary Charter School which now includes grades TK to 4, and Millennium High School. Primary Charter Preschool was added in 2015. With these expansions, the student body has grown from 75 students to over 1,200 students.

### Charter Status

The original charter for Discovery was approved by the Tracy Unified School District in 2001 and most recently renewed in July of 2021. The charter for Millennium High School was most recently renewed in 2019 by the same board for an additional five year term.

### School

Millennium High School, the third school in the TK - 12 continuum, opened in 2004 with freshmen and added a class each year. For the 2023-2024 school year the enrollment is 485 students and a staff of 29 teachers, a counselor, a counseling intern and a counseling assistant. The student to faculty ratio is 15:1. The school year consists of 205 days including a mandatory five week summer program. The focus of the high school is to fully prepare students for a successful life beyond high school which includes: academic preparation for higher education, career exploration including an internship, and a social commitment through a 200 hour community service requirement. *(Our current seniors, the class of 2024, are only required 150 hours as we adjusted the expectation during school and business closures during the 2020-2021 school year.)*

### ACADEMICS: 2023 – 2024

There are three educational course sequences for students to follow that all lead to some form of higher education: Early College, College Prep, and Community College or Vocational Training preparation. Early College pathway students are expected to begin taking college classes by the summer of their tenth grade year. This pathway provides more time for college classes than the College Prep pathway which includes students who are following a more traditional college prep high school program. ***Millennium offers four AP courses. We also encourage students showing academic excellence to take classes at a local community college through a reduced schedule in their junior and senior year and a scholarship for successfully completed coursework (B or better grade).*** Students earn 5 credits for passing each semester course at Millennium. They earn 10 elective credits for each community college course successfully completed, and receive a weighted grade included in their GPA. College prep courses have been approved by the University of California Articulation Department. Technology is used for research, presentations, and writing in all classrooms. Project based learning is part of all curriculum areas for all course sequences.

## Graduation Credit Requirements (250 credits)

- English - 40
- Mathematics – 40  
(Including Alg. 1, or Alg. 1A and 1B)
- Social Studies – 40
- Fine Art – 10
- Science – 30  
(Including Biology and Chemistry)
- Life Skills (9<sup>th</sup> Grade) – 10
- Career Education (11<sup>th</sup> Grade) – 10
- Internship Seminar (12<sup>th</sup> Grade) – 5
- Community Service - 5
- Physical Education – 20
- Electives (may include Language Other Than English) – 40

## Millennium Course Selection

**English:** English 1P, 2P, 3P, 4P, AP English Language and Composition, AP Literature and Composition

**Mathematics:** Pre-Algebra, Algebra 1A, Algebra 1B, Algebra 1, Geometry, Algebra 2, Pre-Calculus, Calculus and Consumer Math

**Social Studies:** Geography, World History, U.S. History, American Government, Economics

**Science:** Integrated Science, Biology, Chemistry, Physics, Anatomy & Physiology

**Fine Arts:** Art, Art 2, Beginning Band, Advanced Band, Drama, Film Production

**Language Other Than English:** Spanish 1, 2, and 3 and American Sign Language 1, 2, and 3

**Electives:** Technical Construction, Computer Programming 1\* and 2\*, Leadership\*, Color Guard, Life Design, Resource Support, English Support, Marching Band, Digital Music, Teacher's Aide (**Note:** Most college bound students take the Foreign Language and Community College courses to fulfill elective requirements.)

\*indicates an A-G approved College Prep Elective

**Additional Courses:** Physical Education, Life Skills, Career Education, Internship Seminar, Community Service

## Grading/Class Rank

- Students must earn a C- or better in order to receive credit for a class
- D's & F's receive no credit and must be repeated
- Class rank is determined by the Total Weighted Grade Point Average (GPA) of all high school credit courses taken through fall semester of senior year
- Millennium weights grades for AP and college courses
- All college courses are included on student transcripts and are factored into their GPA

## COVID-19 Related Campus Closure Summary

- The 2020-2021 school year began in a fully online format for all students. In November 2020 with a waiver approved by the San Joaquin Public Health Department, 20% of students returned to campus for in-person learning, while students at home attended synchronous online classes, Monday through Thursday. Fridays were online and asynchronous for all students. Community Service and physical Internship requirements were on hold and/or adjusted during business closures.
- Our summer program, Fast Track 2021 was held fully in-person, and the 2021-22, 2022-23 and 2023-24 school years were held fully in-person.

## College Credit Earned

Students pursuing a more rigorous course load take advantage of the opportunity to attend classes, mostly online, at San Joaquin Delta Community College. Below is a table showing the average number of credits earned:

| Graduating Class | Size of Class | % Taking College Classes | Avg # Credits Earned |
|------------------|---------------|--------------------------|----------------------|
| 2019             | 123           | 60%                      | 17                   |
| 2020             | 117           | 56%                      | 15                   |
| 2021             | 125           | 59%                      | 15                   |
| 2022             | 129           | 58%                      | 15                   |
| 2023             | 105           | 51%                      | 23                   |

## Graduates:

43% of the graduating Class of 2023 planned to attend a four-year degree granting institution while 42% planned to attend a 2-year community college or technical school. Students were accepted to the following institutions:

|                                           |                                    |                                         |
|-------------------------------------------|------------------------------------|-----------------------------------------|
| Arizona State University                  | Liberty University                 | University of California, Los Angeles   |
| Cal Poly Humboldt University              | Long Beach City College            | University of California, Merced        |
| Cal Poly Pomona                           | Loyola Marymount University        | University of California, Riverside     |
| Cal State Fullerton                       | Northern Arizona University        | University of California, Santa Barbara |
| Cal State LA                              | Northland College                  | University of California, Santa Cruz    |
| California State University, Bakersfield  | Ohio State University              | University of Chicago                   |
| California State University, Chico        | Oregon Tech                        | University of Hawaii at Manoa           |
| California State University, East Bay     | Sacramento State University        | University of La Verne                  |
| California State University, Long Beach   | Saint Leo University               | University of Nevada, Las Vegas         |
| California State University, Monterey Bay | San Diego State University         | University of Northern Arizona          |
| Capital University                        | San Francisco State University     | University of Ohio                      |
| Central Michigan University               | San Joaquin Delta College          | University of Oregon                    |
| Chaminade University                      | San Jose State University          | University of Singapore                 |
| Chapman University                        | Stanislaus State University        | University of the Pacific               |
| Colorado State University                 | University of Arizona              | University of the Sunshine Coast        |
| Fresno State University                   | University of California, Berkeley | Virginia Tech                           |
| Gonzaga University                        | University of California, Davis    | Xavier University                       |
| Grand Canyon University                   | University of California, Irvine   |                                         |
